

Synopsis: Sakar Murli November 04, 2014

1. Shiv Baba is called the eternal **Creator**. Souls exist anyway, so He cannot be called the Creator of souls. The Father is eternal and souls are also eternal. Souls cannot catch fire; it is as though souls are insured. This is an eternally predestined drama. You belong to the **Lord and Master** for 21 births and you then become orphans in the kingdom of Ravan and ruin your character with vices.
2. “Om shanti” means: I, the soul, am an embodiment of peace. I am a child of the Father who is the **Ocean of Peace**. Only the one Baba is called the **Purifier**. The Father establishes heaven and makes us pure and into embodiments of peace.
3. This study is to become pure from impure. You belong to God’s incognito Government. The Father has come to establish the kingdom of Rama. God’s Government is purifying souls and making them into deities. It is only at the confluence age that you receive this knowledge. You receive the weapons to become pure.
4. You should not forget the first aspect, **Alpha**. Knowledge and devotion are half- and-half and disinterest comes after devotion. You should have total ignorance of desire (**ichchha maatram avidya**) . If you keep one desire or another, you lose everything and become worth not a penny. A lot of courage is needed to become pure. In order to win the prize of the world, purity is the main thing.
5. It has been written: Destruction through Shankar. There is to be the destruction of all those many religions and establishment of one religion through Brahma. Brahma does not establish this religion. Brahma becomes pure from impure. It isn’t said of Me (Shiva) that I change from impure to pure. When he is impure, his name is Brahma.

Blessing: May you be an angel and so a deity and distribute the Prabhu-prasad (holy food) of divine virtues through your elevated actions.

At the present time, whether it is souls without knowledge or Brahmin souls, everyone needs the donation of virtues (gundaan) . So, now intensify this method in yourself and the Brahmin family. These divine virtues are the most elevated Prabhu-prasad, and so share this Prasad a lot. Out of love, you feed everyone toli. Therefore, feed everyone the toli of divine virtues in the same way and the aim of becoming a deity from an angel will easily be revealed to everyone.

We, the bodiless souls, dancing in the shower of knowledge of the Ocean of Knowledge, are the embodiments of knowledge...by being incorporeal, we become the embodiments of remembrance...by being vice less we become the embodiments of virtues...

The Father is the Magnet and the souls are needles...we remove the rust from our souls by remaining in the remembrance of the Father day and night, and become pure gold... we connect our yoga with the Father, the Jewel Merchant, imbibe the jewels of knowledge, and overflow with divine virtues...

We are full of zeal and enthusiasm, remember both the Father, the Bestower of Fortune, and our fortune, and make others fortunate...we are the generous hearted great donors, the children of the Bestower, who distribute our fortune and enable others to receive attainments... we are chancellors, the instruments glorified within the Brahmin family, distributing the prasad of service, keeping the younger ones in front and keeping everyone busy in service...

We are the “tolput” (as sweet as toli) children, who receive the spiritual sweets from the Spiritual Father, and who remain soul conscious and reach the high destination... from Brahmins we become angels and from angels we become the deities of the sun dynasty with pure bodies of gold free from disease...
