“Signs (chinh) of practical dharna in the lives of sun and moon dynasty souls.” (suryavanshi & chandrvanshi)

There are two special indications of souls who belong to the sun dynasty. Firstly, they only come into sound (vaani) after being in the stage beyond sound (nirvaan). Secondly, two signs of them are: they always maintain their stage of self-respect and they are humble and constructive (nirmaan) in their words and deeds. There isn't much difference visible between the thought of reaching the destination of perfection and the practical form.

Sun-dynasty souls:

1. Constantly maintain the powerful stage of a master sun of knowledge, the seed stage, or they stabilise in the second stage of an avyakt angel for a longer time.
2. Constantly experience the Father's company and remain absorbed in experiencing love in all relationships with Him.
3. Constantly experience the stage of ascent.
4. Constantly have a stage of equanimity.
5. Experience having the virtues of the Father in their practical lives and also reveal themselves to everyone through this form.
6. Constantly experience themselves to be unlimited servers and light-and-might-houses.
7. Constantly follow in the footsteps of Father Brahma in everything they do; their minds, intellects are totally surrendered to the Father. They are equal to Father Brahma in their deeds and in the speed of their efforts.
8. Are complete renunciates who renounce even the progeny of vice in their sanskars. Such complete renunciates, who follow the father, become angels at this time and the first world emperors in the future.

9. Constantly experience their intellects to have faith and thereby remain constantly carefree and experience themselves to be definitely victorious every cycle.
10. Whilst fulfilling the responsibility of world benefit, remain double light, even to the extent of their huge responsibility.
11. Through the rays of their attitude and their vibrations, stabilise other souls in the experience of their original form.
12. Are constant great donors and bestow blessings on others.
