

Synopsis: Sakar Murli December 15, 2014

1. Only the one Father, the **Seed**, is called the **Ocean of Knowledge**. He doesn't enter the world cycle. It is not that we souls become the Supreme Soul; no. The Father makes us as *knowledge- full* as He is. ***He does not make us into God like He is.***
2. The Father alone is the Purifier. This is now your pilgrimage of remembrance. There is just this one word: Manmanabhav! This pilgrimage of yours is eternal. **This pilgrimage is of dead silence: you just have to remember the one Father. This is how you become pure.** The Father has taught you this true spiritual pilgrimage.
3. "Hum so" means I, this soul, go around the cycle in this way. Remember the mantra of "Hum so", because only then will you become the rulers of the globe (**chakrvarti raja**). The Father alone comes every cycle and teaches you this. He is the **Ocean of Knowledge, the Purifier**. Now that you have received the third eye of knowledge, a divine intellect, this can be explained to you. This study is very easy. There is magic (**karamat**) in having remembrance of Baba. No other father can teach you how to perform such magic. It is through this magic that you become satopradhan from tamopradhan.
4. Although the deities are praised, the highest of all is the one Father. So, what greatness (**badaai**) do they have? Today, they have a "donkeyship" (**gadhaai**) and tomorrow they will have the kingdom (**raajaai**). You are now making effort to become this. Knowledge is very easy and yet so few of you pass!
5. This study is taught by God. Such a study could never come from a human being. You earn multimillions at every step (**kadam kadam men padam**). Those who follow shrimat at every step have the highest chart. When you become pure, the war will begin. When they ask you how you are, you can say that you are always happy and content. Even when you are sick, you are still content.
6. First, Christ alone comes, and then his religion is established and expansion takes place. **The foundation is the deity dynasty.** *This is why Brahma is called the great-great-grandfather.*

Blessing: May you be a self-transformer (sw parivartak) who uses a powerful brake to transform negative into positive in a second.

When you have negative thoughts, that is, waste thoughts, their speed is very fast. You need to have the practice of transforming them by using a powerful brake at the time of a fast speed. Generally, before a hill is climbed, the brakes are first checked. In order to make your stage elevated, increase the practice of applying a brake to your thoughts in a second. When you transform your thoughts and sanskars from negative to positive in a second, the task of world transformation through self-transformation will then be accomplished.

Points to churn from the blessing:

I am a dot, the Father is a dot, the drama is also a dot (bindi) ...we, the souls, apply the tilak of the three dots at amrit vela every day and maintain it in our awareness...with our power of transformation, we apply a powerful brake to waste thoughts, finish their flow and put a full-stop... we are the unwavering, immovable and unshakable Angads, who end the queue of questions of “why, what, when, where, how” and become powerful.....we let “bygones be bygone, past be past, it is nothing new, whatever has happened was good, whatever is happening is better and whatever will happen will be the best (Que sera,sera) ...with these thoughts we watch the games of the drama from our seat of self-respect as a detached observer and continue to move forward...

If not now, then never!...we, the souls, understand the reasons for our shortcomings and weaknesses and resolve them... we accumulate the stock for all powers, become powerful and apply a powerful brake to waste thoughts, and finish the force of their flow by putting a full-stop... we finish all complaints with the experimentation of yoga (yog ka prayog) and become complete...we are the destroyers of obstacles (vighn vinaashak), finishing obstacles with the powers of peace and patience...
