

Synopsis: Sakar Murli January 29, 2015

1. The Father is the **Highest on High**. Only the Father, the **wise One**, the **knowledge-full One**, can explain. You now receive directions from God, the **Resident of the faraway land**. You are part of God's dynasty, of God's clan. God comes and establishes your dynasties.
2. Baba only has one act to perform: to teach His children. If you want to become a bead of the rosary, you do have to make a lot of effort. You have to become very sweet and follow shrimat, for only then can you become elevated.
3. The incorporeal Father says: Constantly remember Me alone. Everything depends on this aspect. When you Brahmins have firm faith in your intellects, the tree will grow. You also have to give everyone this message: God says, "Manmanabhav!" *To the extent that you become pure and stay in a stage of yoga, so the more attractive you will become.* Others will be pulled here. The Father also attracts them.
4. Whilst sitting here, some listen and experience happiness. They continue to swing in happiness as they sit in front of Baba. Whatever your final thoughts are, and if your intellect is in yoga with the Father, they will lead you to your destination. You do have to make effort for this. You receive plenty of wealth here.
5. Reasoning says that no one can do anything to those who are soul conscious. When you develop the power of yoga by remembering Shiv Baba, no one will be able to slap you. You will then be protected by the shield of your power of yoga and no one will be able to do anything to you.
6. Who is the God of the Gita? It is not that God speaks through the body of Krishna. Krishna only exists in the golden age. God only comes at the confluence age. God is higher than Brahma.
7. This is a very tough and important exam. Those who study this spiritual study very well will receive great happiness and pass with honours. You have the past, present and future in your intellects. You have been told that your intellects mustn't go to anyone but the Father. **That is why students remain celibate when they study.**

Blessing: May you be filled with the three attainments (trimurti praapti) and give the donation of a new life to souls who are sitting on a pyre of hopelessness (na ummid ki chita).

At the confluence age, all you children receive from the Father the three in one blessing of remaining ever healthy, wealthy and happy. Seeing the fortunate and cheerful faces of the children who remain constantly filled with all these three attainments, people have zeal and enthusiasm for leading a human life because although people are alive at present, they are sitting on a pyre of hopelessness. Now, enable such souls to die alive: give them the donation of a new life. Always remain aware that these three attainments are your birthright. Doubly underline the dharna for all these three attainments.

Points to churn from the blessing:

We, the souls, attain three blessings from the Father, the Bestower of Blessings; of being healthy, wealthy and happy...by not being influenced by Maya, we are ever-healthy, by being full of all powers we are ever-wealthy, and by not being attracted to Maya or to matter, we are ever-happy...no power is lacking in the treasure - store of Brahmins...we have attained what we wanted to attain; there is nothing left to attain... we are the most elevated constant and limitless great donors who remain constantly cheerful by constantly donating happiness to all souls through thoughts, words and deeds, by making all souls full of all attainments, by making beggar souls to those who have rights, and by making weak souls powerful...

We wake up early in the morning and say good morning to Baba, churn the ocean of knowledge and become wealthy....by having accurate remembrance, we decrease the burden of our sins, earn a very high income for birth after birth, remain very happy, and become very healthy with a long life span...we become pure, holy, worthy-of-worship, elevated, satvik, satoguni and satpradhan...by spinning the discus of self realization, we teach others very well, enable them to spin the discus of self realization, and become the kings and queens of the globe...
